Institute's Innovation Cell (IIC)

Ministry of Human Resources Development (MHRD) Govt. of India has established MHRD Innovation Cell (MIC) to systematically foster the culture of Innovation amongst all Higher Education Institutions (HEIs). Primarily IIC's role is to engage large number of faculty, students and staff in various innovation and entrepreneurship related activities such as ideation, problem solving, Proof of concept development, Design thinking, IPR, Project handling and management at Pre-incubation/Incubation stage, etc., sothat innovation and entrepreneurship ecosystem gets established and stabilized in HEIs.

Our college has reconstituted Institutions Innovation Council (IIC) this year. The following faculty members of our college have been entrusted various responsibilities mentioned in the following table. They are supposed to arrange various activities regularly under this banner. These members successfully execute the assigned work related to their responsibilities from time to time with the help of student members and update the records on IIC portal and also keep record of these activities. For further details kindly visit to:
