| 4) Dr. D.D. Naik | - Chairman Faculty member, Dept. of Botany, JBCS, Wardha |
| 5) Dr. S.S. Khandare | - Faculty member, Dept. of Microbio , JBCS, Wardha |
| 6) S.R. Sinkar | - Faculty member, Dept. of Biotech , JBCS, Wardha |
| 7) S.R. Nakhate | - Faculty member, Dept. of Biotech , JBCS, Wardha |

The agenda of the meeting was :-

- 1) Permission to revise UG curriculum
- 2) Supersession of draft of curriculum of UG 2017-18
- 3) Revised draft of curriculum of UG with effect from Semester II 2017-18.
- 4) Revision of panel of question paper setter & moderators, answer paper & moderators.

In the meeting following points were discussed -

- 1) U.G. curriculum has been revised and problems faced by students to study have been discussed. It has been decided that instead of having two papers per semester in the subject Biotechnology there would be single paper per semester from second semester of U. G. academic session 2017-18.
- 2) Accordingly the curriculum for Sem - II, Sem - III has been revised and modified, the previous syllabus has been superseded.
- 3) Subject expert Dr. M.K. Rai suggested additions of some points in the curriculum of Paper II and in the list of reference books. These points has been incorporated & finalized.
- 4) Discussion on panel of question paper setter & moderators, answer paper & moderators has been done and earlier panel decided has been continued.
- 5) There will be one paper of Biotechnology subject each semester. Papers of semester I examination (Paper-I and Paper-II) will also be merged together in order to treat one paper.

The meeting ended with thanks expressed by Dr. S.S. Khandare.
