Bajaj College of Science, Wardha (Autonomous)

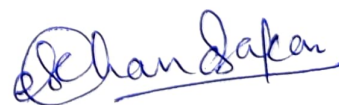

Annual Gender Sensitization Action Plan 2021-22

Gender equity ensures balanced development and sustainable society and is essential for economic prosperity of the nation. Bajaj College of Science, Wardha ensures equal opportunities for both girls and boys in all the curricular, co-curricular and extracurricular activities.

Objectives: To promote gender equity and to create a holistic environment where every individual can explore and embrace their gender identity.

Action Plan for 2021-22:

1. Provide inclusive and healthy environment in college for dealing with COVID-19 pandemic and to adapt to post-pandemic life.
2. Promote activities related to innovation and entrepreneurship that will benefit both male and female students.
3. Conduct workshops related to career enhancement for all the students.
4. Provide professional counselling to the students.
5. Student's code of conduct aimed to promote gender parity at the governance level.
6. Promote equal representation of boys and girls in different committees of the college.
7. Provide equal opportunities to all the boys and girls in various extension and co-curricular activities to boost the talent and for all overall personality development of students.
