Municipal corporations cleanliness Drive /Nagarparishad swachhta rally

The Swachh Bharat Abhiyan is the most significant cleanliness campaign by the Government of India. Shri Narendra Modi led a cleanliness pledge at India Gate, which about thirty lakh government employees across the country joined. A sense of responsibility has been evoked among the people through the Clean India Movement. With citizens now becoming active participants in cleanliness activities across the nation, the dream of a 'Clean India' once seen by Mahatma Gandhi has begun to get a shape. Being responsible citizens PEC students participated actively in Swachta Rally organized by NagarParishad.

"Nagarparishadswachta rally" were organised and all the enrolled students took active participation in it. Participation of PEC students participated in Swacchata Rally to give the message of cleanliness to the citizens of Wardha.

World Population Day (11th July 2017)

World Population day celebrated on July 11 every year, which seeks to raise awareness of global population issues. The event was established by United Nations Development Programme. It was inspired by the public interest in 'Five Billion Day' on July 11, 1987, the approximate date on which the world's population reached five billion people. World Population Day aims to increase people's awareness on various population issues such as the importance of family planning, gender equality, poverty, maternal health and human rights. On the occasion of world population day a guest lecture of Prof. N.C. Nikam was organized for to make aware the students about the increasing population of India.
