Rejuvenation of Continuous Contour Trenches at Amgaon village by NSS volunteer (9th Jan 2020, Thursday)

As a part of NSS Camp, organised by the NSS Unit of Bajaj College of Science, Wardha, the volunteers worked on rejuvenation of Continuous Contour Trenches at Amgaon Village. The fourth day of the camp began with the "Yogasan" and "Prarthana". The volunteers discussed the day plan with programme officer and decided to identify the rain water harvesting challenges and developed plan to deepen the channels for water harvesting. After the refreshing start it was time to get up and go for "*Shramdan*" and the task was to prepare CCT for water conservation. All the volunteers worked hard and finished the work with enthusiasm.
