Notice for Project Allotment:

This is to inform all the head of the departments about the project allotment to first year students.

1. All the departments have been allotted certain batches for the projects. Divide the total number of students in the batches amongst all faculty members for the projects.
2. Enlist the total number of projects for the department with topics. Topics can be as per the area of interest of the faculty.
3. Minimum one project should be allotted to each faculty. One faculty member can carry out maximum two projects with two groups of the students (if interested).
4. Each faculty will get atleast one group to whom they need to guide in two sessions (Sem I and Sem II) of the first year.
5. Department can frame their own rules for the distribution of projects amongst different groups from the allotted batches.
6. Modus of Operandi: Semester I (Literature Review), Semester II (Experimental).
7. Marks will be given to project students out of 20 (16+4) by project guide which will be the part of internal assessment for the practicals.
8. Students need to submit project report at the end of each semester.
9. Each project guide will be the cluster head of the group he/she is leading.
10. Other students of different batches, who are not the part of departmental projects will get the internal marks in practicals via some extra practicals, case study, surveys etc. (department can decide).
11. Allotment of students amongst all faculty members with the topics should be submitted to office by 27th July 2017 in the following format attached.
12. For any query contact: Dr. S.H. Bagade, Mr. G.V. Lakhotiya (Department of Physics).
