Procedures and policies for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

Bajaj College of Science, Wardha has an established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers and classrooms. Bajaj College of Science strives to meet the growing needs of the institution with the support of the **Planning / Purchase Committee/ Management**. The college ensures optimal allocation and utilization of the available financial resources for maintenance and upkeep of different facilities by holding regular meetings of various committees constituted for this purpose and using the grants received by the college as per the requirements in the interest of students.

- The HODs, faculties and non-teaching staff are given responsibility to maintain the facilities under their supervision.
- They later report to the Principal regarding maintenance of infrastructure if needed.
- An **annual audit and stock checking** of the physical, academic and support facilities is undertaken for assessment and evaluation.
- A **detailed report is submitted by the Heads of the Departments** to the Principal for the next academic year.
- The Principal discusses with the **Planning Committee** and presents a report regarding physical, academic and support facilities in the **Governing Body** for approval and implementation.

Maintenance of Physical and academic facilities

- **Stock Checking** of all the equipment, instruments, glass ware, specimens and computing devices etc. is done in all the departments annually and details are given to the College office for the further action.
- For any kind of maintenance or repair, the **laboratory staff in-charge** reports to the Head of the Department and it was forwarded to the Principal and the repair work is carried out by the concerned service person.
- The **instruments and equipment are maintained by the suppliers** from whom they are purchased, in case of any services are required.
- **Maintenance Staff** are responsible for maintenance related to electrical, carpentry and painting etc., of the classrooms and the entire campus throughout the year and major repair works are carried out during summer vacation.
- Technical requirements and other infrastructure facilities are maintained regularly by **electrical and technical maintenance team**.
- **Fire extinguishers and First Aid Kits** are maintained regularly and their refilling is done before the date of expiry.
- Cleaning and maintenance of class rooms, seminar halls, laboratories, staff rooms, library and corridors are done regularly on a daily basis by the supporting staff.
- Cleanliness and hygiene of wash rooms and the college campus are regularly maintained with the help of the outsourced cleaning staff.

- **CCTV cameras** have been installed at vantage points to ensure protection to the staff & the students.
- Working of **LCD is checked** on a regular basis by the trained technicians.
- All books in the library are **arranged according to their category**.
- **Damaged books** are bound, scanned and **digitalized** in the central library.
- The **annual stock checking and maintenance** of the library books are carried out during the summer vacation.
- On request from each department, a **list of required books are prepared and procured for the next academic year**.
- A nominal penalty is levied for delay in returning the library books or losing them
- The playground is cleaned and all the courts are marked before the start of the academic year and the national and university level tournaments.
- One **hardware technician** takes care of the maintenance and service of the computers.

Notwithstanding anything herein contained, where this Agreement is executed on the date of purchase of the Equipment or during the warranty period (if any) or after, it shall come into force from the agreement start date as mentioned in clause 1.
6. Neither this Agreement nor any of the rights and obligations hereunder shall be assigned by the user.
7. Notwithstanding any thing to the contrary contained in this agreement timely payment of all charges by the User to CTPL shall be the essence of this agreement and in case of breach by the user towards compliance of the same, CTPL reserves the right to suspend the services to the User immediately without any notice to the user and if that breach remains unremedied for 15 days following the written communication from CTPL in this behalf at the above address. CTPL may, forthwith terminate this Agreement, without being liable in any manner to the User for the same. FURTHER in case User is in breach of any or all other terms of this agreement and such breach remains unremedied for 15 days following the written communication from CTPL in this behalf at the above address, CTPL may, forthwith terminate this agreement without being liable in any manner to the user for the same.
8. Notwithstanding anything to the contrary contained in this Agreement, CTPL reserves the right to vary the charges payable by the User at any time, to change /modify/delete/alter any terms and condition of the agreement as well as to change the work scope / nature of the agreement upon 60 days prior written notice to the user. In the event of any increase in charges as well as change in terms and condition of the agreement the User shall be entitled to terminate this Agreement by serving not less than 45 days notice in writing by Registered A.D. on CTPL at the address given hereinabove to expire on the date on which the increase / change would otherwise come into effect. This, however, does not cover any increase caused by variation in levies or taxes of Central, State or Local Govt., which are recoverable separately, for the period from which such Govt. levies and or taxes have come into force.
9. All disputes or differences arising between the parties in respect of these terms and conditions shall be settled by arbitration under provisions of the Arbitration and Conciliation Act 1996. The venue of Arbitration shall be Nagpur.

10. Subject to Clause 9 above, the parties submit to the exclusive jurisdiction of courts of Nagpur.

11. This is the entire Agreement between the parties with respect to the subject matter hereof and shall supersede all arrangements or agreements relating to the service & maintenance of the equipment previously entered into or made between the parties hereto and no alteration or amendment in this agreement is valid unless signed by a person duly authorized by the Board of CTPL. None of the provisions of this agreement shall be deemed to have been waived by any act or acquiescence on the part of CTPL, its employees, but only by an instrument in writing signed by an authorized officer of CTPL. No waiver of any provision of this agreement shall constitute a waiver of any other provision(s) or of the same provision on another occasion.
