Students' Training / Postgraduate Research

This Memorandum of Understanding (hereinafter referred to as MoU) is made on this 17th day of the month of November in the year 2021 by and between Mahatma Gandhi Institute for Rural Industrialization (MGIRI), Wardha having its Head Office at Wardha [hereinafter called "MGIRI"/First party], a national institute under the Ministry of MSME, Govt. of India on the ONE PART and the Bajaj College of Science [Private minority Institution having its headquarters at Wardha [hereinafter called "BCS"/Second party], a constituent college of the trust "Shiksha Mandal", Wardha on the OTHER PART (who for the purpose of this MoU are hereinafter collectively referred to as the parties).

The parties, having discussed fields of common research interests and allied activities between the two institutions, have decided to enter into long-term collaboration for promotion of students' training and quality postgraduate research in cutting edge areas.

WHEREAS the "First Party" is a nodal institute to undertake lead researches in the area of product, process, technology development in rural industrialization (specific mandated domain within the approved disciplines/divisions), AND WHEREAS the "Second Party", established as a college and recognized by University Grants Commission and its Departments are involved in teaching in graduate and post graduate level in science such as physics, chemistry, bioscience, mathematics and research leading to doctoral degree in science subjects mentioned above (specific areas of research), affiliated to STM Nagpur University, Nagpur.

AND WHEREAS it has been considered expedient to agree in writing to participate jointly in the projects requiring expertise and logistics from both the parties.

(Signature of First Party)
काशीबाबा/Head of Office
एमजीरी वर्ध/ MGIRI, WARDHA

(Signature of Second Party)

Article 1. Scope

- 1.1 The Second party will recognize the First party as an Institute for conducting research related to the thesis requirement of the research students for M.Sc and Ph. D (Science) (Name of the degree programme). The Second party will recognize Scientists of the MGIRI Institute as recommended by its Director in accordance with the University rules and regulations for guiding students working for the said degree.
- 1.2 Operational details of research effort and collaboration will be made in common research programmes and/or projects restricted to specific mandated domain within the approved disciplines/divisions. The objective(s) for research work for a student coming from a Second party should be exclusively different as far as possible.
- 1.3 Research instrumentation facility and library facilities available with the First party and the Second party will be made available to the faculty and research scholars. However, the costs of specific consumables will be borne by the respective organizations.
- 1.4 There shall be an exchange of students for academic, research and training purposes. Accommodation in the Hostel shall be arranged, wherever possible, as per extant rates. The duration of exchange visits will be determined by mutual consent between both the parties.

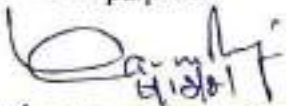

Article 2. Management

- 2.1 Director of the First party and the Head of the Institution of the Second party will be responsible to work out operational details of co-operation between the two organizations and ensure proper and effective implementation of this MoU.
- 2.2 The Advisory Committee will meet at least once in a year alternatively in the institutions of the First party and the Second party to review the activities. This meeting shall include presentation on the academic and research activities, which should be open to the students, faculty and scientists.

Article 3. Exchange of Information

- 3.1. The term "information" includes scientific or technical data, results and/or methods of investigation, and other information intended to be provided, exchanged, or arising under project descriptions entered into pursuant to this MoU.

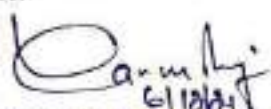

- 3.2. The parties support the widest possible dissemination of information. Each party in joint projects shall be given the right to use, disclose, publish or disseminate such information for any and all purposes.

(Signature of First Party)
वरप्रधान/Head of Office

(Signature of Second Party)
Principal
Bajaj College Of Science,
Wardha.

Article 4. General Provisions

- 4.1 It is understood that the First party and the Second party subscribe to the principle of equal opportunity and do not discriminate on the basis of race, sex, age, caste or religion. Both the Institutions shall abide by these principles in the administration of this agreement and neither party shall impose criteria for exchange of scholars or students, which violate principles of non-discrimination.
- 4.2 Both parties understand that all financial agreements will have to be negotiated separately and will depend on the availability of funds.
- 4.3 Both parties acknowledge that exchange of students from one party to the other shall be subject to the availability of funds and shall comply with the regulations and policies of the First party and the Second party.
- 4.4 (i) Any research publications arising will be jointly published. The student would invariably be the senior author for the publications arising out of the research work conducted at the institute followed by Major Guide/Advisor and Co-Major Advisor/Co-Guide in that order. The names of additional co-authors, depending upon their contribution in the research work, may be decided by mutual consent between the student and Major Guide/ Advisor.
(ii) The partnering institutions may ensure that the institute should ensure that the student submits atleast one paper from Master's dissertation and two papers from Ph. D. thesis before dissertation / thesis submission in order to prevent students leaving the institute(s) without any research publication from the dissertation / thesis.
- 4.5 A copy of the thesis/dissertation will be submitted to the First Party after the award of the degree by the Second party.
- 4.6 All questions related to this MoU arising during its term will be settled by the parties by mutual agreement. Disagreements at the operating level shall be forwarded to respective higher officials for appropriate resolution failing which an arbitrator of mutual acceptance may be identified for the settlement of dispute, if any.
- 4.7 All questions not foreseen related to this MoU will be handled by the parties by mutual agreement.
- 4.8 Nothing in this MoU is intended to affect other cooperation or collaborations between the parties.

(Signature of First Party)
वरप्रधान/Head of Office

(Signature of Second Party)
Principal
Bajaj College Of Science,
Wardha.

Article 5. Intellectual Property Rights

- 5.1 The Second party will be expected to ensure protection of the Intellectual Property Rights generated or likely to be generated during the student's research work. The MGIRI as the first applicant (for its institute) and the Second party shall be the joint applicants for IPRs and the students and involved scientific staff shall be included as the inventor/author. The

management and benefits sharing of the generated intellectual property shall be mutually decided in each case.

Article 6. Admission and Fees

- 6.1 All those who wish to register as trainees or for Master/Doctoral programme under this MoU must apply for admission at the Second party. The criterion for allocation of Major Guide / Advisor will primarily be governed by the intellectual input and time duration devoted for carrying out the research work at a particular institution. It may be decided by the mutual consent, keeping in view the MOU signed between partnering institutions. If the major guide is from MGIRI, the co-guide will be from partnering institute and vice-versa.
- 6.2 Admission of the students and the award of degrees for different programmes will be the responsibility of the Second party as per the rules and regulations.
- 6.3 Allotment of the students at the First party will be done by the approval of Director of the First party and Head of the Institution of the Second party.
- 6.4 The First party would have the right to screen the student's eligibility for admission based on their academic period.
- 6.5 The number of student(s) at any particular time will be subjected to the availability of research facilities and scientists' time to guide thesis research at the First party institution.
- 6.6 Any student(s) admitted to the First party for training/postgraduate research, if found violating the rules and regulations laid down by the First party or indulge in such activities that amount to tarnishing the image of the Institute, or cause damage to the property, the registration of such student(s) would be summarily terminated. The Second party will not complete the formalities of issuing the certificates to such students until they compensate the losses to the First party.
- 6.7 Fees will be charged from the students by the First party as per as per the mutually agreed consent.

Article 7. Entry into effect, modification and termination

- 7.1. This MoU shall become effective on the date it is signed by the parties and shall be valid for three years extendable up to five years. Both parties shall review the status of the MoU at the end of each three/five year period to determine any modification, whenever necessary. The period of validity of this MoU may be extended by mutual consent up to five years. This MoU may be amended by mutual written agreement and may be terminated at any time by either party upon written notification signed by the competent authority of the party initiating termination. Such notification must be given to the other party at least three months in advance from the effective date of termination.
- 7.2. All joint activities not completed at the expiration or termination of the MoU may be continued until their completion under the terms of this MoU.
- 7.3 No amendment or modification of the MoU shall be valid unless the same is made in writing by both the parties or their authorized representatives and specifically stating the same to be amendment of the MoU. The modifications/changes shall become part of the MoU and shall be effective from the date on which they are made/executed, unless otherwise agreed to.

This MoU has been executed in two originals, one of which has been retained by the First party and the other by the Second party).

IN WITNESS WHEREOF, the parties have executed this MoU and represent that they approve, accept and agree to terms contained herein.

MEMORANDUM OF UNDERSTANDING

BETWEEN

J. B. College of Science, Wardha

AND

EdCIL (INDIA) LIMITED, A CPSE UNDER MHRD, IMPLEMENTING PARTNER FOR STUDY IN INDIA,

A PROGRAMME UNDER MINISTRY OF HUMAN RESOURCE DEVELOPMENT,

GOVERNMENT OF INDIA

This Agreement shall deemed to be entered on 8th May 2018, between "J. B. College of Science, Wardha" (hereinafter referred to as "partnering institute"), which expression shall unless repugnant to the context shall deem to include its successors and assigns on one part.

and

EdCIL (India) Limited (Implementing partner), a registered Mini Ratna Category-1, CPSE set up under Companies Act, 1956 under the Ministry of Human Resource Development, Government of India, having its Registered office at Vijaya Building, 5th Floor, 17- Barakhamba Road, New Delhi-110001 and Corporate office at EdCIL (India) Limited House No. 18-A, Sector 16- A , NOIDA-201301 (UP), which expression shall unless repugnant to the Contract, shall deem to

include its successors/ subsidiary/ ventures and assigns, hereinafter referred to as "EdCIL (India) Limited" on the other part.

1. BACKGROUND OF STUDY IN INDIA PROGRAMME:

To have a rapid increase in the number of inbound overseas students into India in the next five years, a "Study in India" programme has been approved by SFC, MHRD on 15.03.2018. EdCIL (India) Limited has been nominated by the Ministry of HRD to be the implementation partner for its execution. The programme aims to increase the inflow of inbound international students through systematic brand-building, marketing, social media and digital marketing campaigns.

Participation in "Study in India" programme is a voluntary exercise wherein the "Partnering institutes" are required to commit seats (out of their total seats) and fee waivers for overseas students in the portal being created by EdCIL on behalf of Ministry of HRD.

2. DEFINITIONS

- (i) "Partnering institute" means the institute shortlisted by EdCIL on the basis of NIRF(National Institute Ranking Framework) (IR 2017) /NAAC(National Assessment and Accreditation Council) rating or any other criteria as approved by MHRD.
- (ii) "EdCIL (INDIA) Limited" means "Study in India" team of EdCIL (INDIA) Ltd.
- (iii) "SII" means the Study In India Programme of the MHRD, Government of India.

3. OBLIGATIONS OF "PARTNERING INSTITUTES"

- a. Partnering Institute would be required to offer admission based on the selection of overseas candidates made through the counseling process on central admission portal and should not deny admission with or without committed fee waivers to the student. SII will roll out a conditional admission letter stating the terms of admission. Final admission would be subject to document verification.
- b. In addition to the above, in any rare circumstance, if another round of "virtual interview" is required, the same would have to be intimated in advance to EdCIL for being categorically mentioned in the conditional admission letter.

- c. Partnering Institute should provide an International hostel and a dedicated fully functional International student affairs office for the foreign students and should have supporting facilities for on-boarding of students and their engagement throughout the stay. They would also be open to introducing any overseas student friendly facilities as may be mutually agreed with EdCIL.
- d. The institute should provide the fee waivers as committed by them on the central portal www.studyinindia.gov.in
- e. Institutes should arrange the "mentorship programme" like assigning buddies to each of the student admitted through the central portal.
- f. If in case the FRRO(Foreigner Regional Registration Offices) verification is delegated to the institutes, partnering institutes should be willing to act as a local FRRO office for the foreign students.
- g. All the responsibilities of verification of certificates/marksheets etc of the prospective student would lie with the institution. Marks conversion/Equivalence criteria/Mutual recognition of courses would also be a responsibility of the partnering institute.
- h. Institute should provide updated information to EdCIL (India) Limited regarding students final admission through the portal as and when the facility is provided on the portal.
- i. Data transferred/ collected by the institute is their responsibility.

4. OBLIGATIONS OF EdCIL (India) LIMITED

- a. EdCIL shall on behalf of MHRD provide a fully functional/operational central portal www.studyinindia.gov.in
- b. EdCIL shall ensure proper allocation/merit based allocation on the basis of the academic performance and choice filling of the student on the central portal.
- c. EdCIL shall take care of the aggregated branding, social media and other media for the programme which may/may not include the details of the Partnering institute.
- d. EdCIL shall organize periodical fairs/seminar/workshops/participation in events which may/may not have a subsidy element. A fair chance of participation may be given to each of the partnering institute on the basis of decided parameter.

- e. Set up of Domestic/International facilitation centre as may be deemed fit.
- f. EdCIL would undertake any other activity (as approved by MHRD) and which aims to increase the number of foreign students in India.

5. VALIDITY OF THIS AGREEMENT

This Agreement shall be deemed to be effective from 1st April, 2018 and shall be valid for a period of one year i.e. up to 31st March, 2019 and may be extended for a further period of 1 more year, upon review and feedback received from the students and NIRF/NAAC rating. Upon termination of this MOU, each Party agrees to return all intellectual properties including Confidential Information shared with it by the other Party under the terms of this Agreement.

6. ARBITRATION

All disputes arising between the parties to the contract as to the interpretation, operation, or effect of any clause in this deed or any other difference arising between the parties, which cannot be mutually resolved, shall be referred to the office of the Secretary HE, Ministry of Human Resource Development for resolving of dispute by way of Arbitration. The Secretary HE, Ministry of Human Resource Development, GOI shall act as the Sole Arbitrator. The decision of the arbitrator as defined above shall be binding on the parties.

7. NON-EXCLUSIVITY

The relationship of the parties under this MOU shall be nonexclusive and both parties, including their affiliates, subsidiaries and divisions, if any are free to pursue other agreements or collaborations of any kind.

8. RELATIONSHIP

Nothing in this MOU shall be construed to make either party a partner, an agent or legal representative of the other for any purpose.

9. COSTS OF THE MOU

Each Party shall bear the respective costs of carrying out the obligations under this MOU.

10. Confidential Information

The Parties acknowledge that, in the course of their negotiations under this MOU, it may be necessary for one Party to provide documentation, technical and business information and/or intellectual property, in whatever form recorded (collectively, "Confidential Information"), to the other Party. All Confidential Information provided or disclosed by either Party hereunder shall remain the property of the furnishing party, and shall be held in strict confidence by the receiving Party, unless the furnishing Party otherwise consents in writing or unless disclosure of such Confidential Information is required by the applicable laws. Confidential Information furnished by any Party hereunder

- i. shall not be reproduced or copied, in whole or in part, by the receiving Party except for use as specifically authorized by this MOU;
- ii. shall, together with any copies thereof, be returned to the disclosing Party, or at the request of the disclosing Party, destroyed, when no longer needed for purposes of this MOU; and
- iii. shall only be disclosed by the receiving Party to its employees who have a need to know such Confidential Information in connection with the performance of this MOU; and who have agreed to comply with the confidentiality obligations set forth herein.
