To whomsoever it may concern

This is to certify that **Miss Urvi Mukesh Gupta** who is pursuing Bachelor of Science from Bajaj College of Science, Wardha has successfully completed the six-day residential **Ananta Aspen Emerging Leaders Programme** from 2 - 7 October 2019 at Wardha, Maharashtra.

The Leadership Seminar explores personal values through moderated sessions of readings-based dialogue along with team building activities. The students collaboratively planned, provided a social and contemporary context and enacted a play based on "The Mahabharat" where Urvi displayed her leadership qualities.

Urvi also implemented a leadership project to benefit society as part of the programme. This has helped build her skills of problem solving and values-based action-oriented leadership and inculcated a spirit of service towards society and the nation at large.

She is a quick learner and a great team player. Her openness to a diverse range of roles, leadership qualities and supportive nature made her a valuable addition to the class.

We wish her all the very best for her future endeavours.
