Orientation programme for "M.Sc. -I students"

Report

An Orientation programme was organized for all the M.Sc. students (Chemistry, Botany, Zoology, Microbiology, and Maths) at Bajaj College of Science, Wardha, on 12th Sept. 2022.

In this program Offi. Principal Dr. P.V. Tekade guided the students about various courses and co-curricular activities run by the college.

On this occasion PG Co-ordinators Dr. Mohabansi (Chemistry), Dr. Naik (Botany), Dr. Theng (Zoology), Dr. Katre (Maths) and Dr. Mohite (Microbiology) presented the various executed activities as well as future plan of activities in their department . Librarian Dr. Bhojar informed the students about facilities available in library of college.This programme was attended by all M.Sc. I year students as well as Teaching and Non-Teaching staff of college.
