A Report on Mathematical Model & Poster Competition at Bajaj Science College, Wardha

Department of Mathematics at Bajaj College of Science, Wardha organized a mathematical model & poster making competition recently to commemorate National Science Day. This competition was conducted in association with RICH Club (Research Innovative Curriculum Hour) of the college.

The event was inaugurated at the hands of Principal Prof. P. V. Tekade in the RUSA hall of the college. The students of B. Sc. & M. Sc. presented their posters and models on various basic principles of Mathematics and its applications like origin of zero, calculus, number system, ancient mathematicians, etc. In all 25 students presented posters & models. Dr. Govinda Lakhotiya and Prof. Shyam Mugal adjudged the competition.

Shri. Sanjay Bhargava, Chairman , Shiksha Mandal, Wardha was prominently present who interacted with the students, appreciated the efforts taken by the students. The first prize in poster competition was bagged by Ms. Gauri Waghmare (B. Sc. II) whereas the second prize was claimed by Ms. Humaira Sheikh (B. Sc. II). The prize for the best mathematical model was grabbed by Mr. Kaushik Kotambkar (M. Sc. I). The prizes of the competition were given at the hands of Shri. Bhargava.

Convener Prof. Rajendra Katre, Head, Dept. of Mathematics, Co-ordinator Mr. Rushikesh Pradhan, Teacher Mentor RICH Club and other faculties of Mathematics Dept. strove hard for the success of the programme.
