Date: 12th August 2023

No. of Student Participants: 81

No. of Faculty Participants: 14

On 12th August 2023, a seminar on "Incubation Opportunities for Teachers and Faculties: Early Stage Entrepreneurs" was held at Gandhi Memorial Hall, Bajaj College of Science, Wardha.

The seminar was aimed at undergraduate and postgraduate students of the college who were interested in entrepreneurship. The keynote speaker for the event was Mr. Arvind Bharadwaj, CTO of Mini Mines, Bengaluru.

Mr. Bharadwaj spoke about the importance of entrepreneurship and how it can change the world. He shared his experiences and insights on how to start a business from scratch. He also discussed the various challenges that entrepreneurs face and how they can overcome them.

The seminar also focused on incubation opportunities for teachers and faculties. The speaker talked about how colleges and universities can help in nurturing entrepreneurship among their students and faculty members. He spoke about various incubation programs that are available for early-stage entrepreneurs and how they can take advantage of these programs.

The event was well-received by the audience, who actively participated in the Q&A session. The students found the seminar to be informative and inspiring, and many expressed their interest in the field. Total 96 participants attended the programme. Programme was hosted by Dr. G.V. Lakhotiya and concluded by the vote of thanks from Dr. M.M. Yerpude.
