Report on Guest Lecture: "Fun with Physics "

Date: 5th August 2023

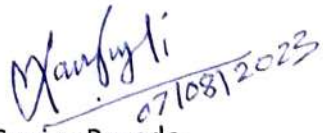

Time: 12:15 p.m. to 2:30 p.m.

Venue: Gandhi Memorial Hall, Bajaj College of Science, Wardha

The guest session on "Fun with Physics" was organized with aim of enlightening the students about the fascinating aspects of physics through engaging and interactive activities. We were privileged to have Shri Krishnendu Chakrabarty, an esteemed physicist and experienced educator, as the guest speaker for this session. He has been actively involved in promoting science education and has a deep passion for making physics accessible and enjoyable for students. Dr. Govinda Lakhotiya introduced the guest speaker to the audience. During the session, Shri Chakrabarty captivated the audience by combining theoretical knowledge with practical demonstrations and hands-on experiments. The session was structured to foster curiosity and active participation among the students. He conducted a series of interactive demonstrations to showcase various principles of physics. Students were able to witness and experience the concepts firsthand, enhancing their understanding and appreciation for the subject. He also emphasized the practical applications of physics in different areas of life. Through real-life examples and case studies, students gained insights into how physics plays a vital role in several technological advancements and everyday phenomena. "Fun with Physics" proved to be an enriching and enjoyable experience for all participants. The interactive approach and engaging activities helped students develop a deeper understanding of physics while fostering a love for the subject. 86 undergraduate students along with the faculties of Department of Physics attended the programme. At the end, Principal, Prof. Pradip Tekade presented a memento as a token of respect to Shri Chakrabarty. Programme was concluded with the vote of thanks from Head of the department, Dr. Sanjay Bagade.
