**A Report of Seminar on  
"ASTRONOMY: SCOPE AND OPPORTUNITIES  
IN INDIA"**

A seminar on "Astronomy: Scope and Opportunities in India" was organized by Astro Club, Department of Physics, Bajaj College of Science, Wardha on 26<sup>th</sup> July, 2023. The alumnae of our college and Ex-President of Astro club Mr. Kartik Gokhe, M. Tech, PhD Fellow ARIES, Nainital delivered the seminar for students of Astro club.

Dr. S. H. Bagade, Head, Department of physics, BCS, Wardha presided over the function. Dr. Sudhir R. Tiple, faculty in charge, Astro Club, Dr. Govind Lakhotiya and Dr. Mangesh Yerpude were present for the program.

Mr. Kartik Gokhe explained the each and every aspect of the carrier opportunity in field of Astronomy and Astrophysics. He encouraged the students to participate in various summer schools and the national and international conferences. He also shared his experience of interview in ARIES, Nainital and conveyed how the importance of active participation in Astro Club made his way to ARIES. He highlighted the 20 minutes out of complete interview were focussed on the 8 inch telescope he along with others fabricated during Astro Club workshop.

Dr. S. H. Bagade had congratulated Mr. Kartik Gokhe for his achievements and ask the fellow students to follow his footstep for the better future..

Total 52 undergraduate students participated in the event. Miss. Disha Sojrani, Vice-President, Astro Club, conducted the proceedings, while the concluding remarks were made by Mr. Roshan Fukat, President, Astro Club. The Question-Answer session was conducted by Miss. Mitaly Daware.
