**A Report on
One Day Hands-on Training Workshop on “*ICT Learning Environment:
Blended Mode of Learning on Gnomio*”**

The Information and Communication Technology (ICT) is a technology used for educational purposes to support and improve the learning of students and to develop better learning environments. ICTs in higher education are being used for developing course material, delivering content and sharing content, communication between learners, teachers, and the outside world.

A massive open online course (MOOC) is a category of online course/ tool that helps teachers to connect with their students online and share information and resources with them easily. Similarly, Students get benefitted as they can-

- Join many courses to gain additional knowledge.
- Review Lecture videos/PPTs and online content till their satisfaction
- Post their queries online without hesitation.
- Quick access to eBooks
- Upload their assignments and test.
- Participate in chats and forums.
- Attempt quizzes.
- Access to the course material anytime, anywhere
- Can be a part of continuous learning.
- Submissions and other records are available for future references.

To create blended mode of teaching and learning environment, Department of Chemistry, Bajaj College of Science, Wardha organized One day hands-on training workshop on “ICT Learning Environment: Blended Mode of Learning on Gnomio” for UG students on 19th and 26th August 2023. Mr. Manoj D. Bansinge, Assistant Professor, Department of Chemistry, Bajaj College of Science, Wardha was the resource person and trained the students to use Gnomio MOOC platform and to explore its multidimensional features and functions. All aspects of this tool were covered in the workshop including how to login to Gnomio site as a student, course access, assignment submission, quiz attempt, access to grades, etc.

About 102 undergraduate students attended the workshop. The session was highly informative and educative to the learners. The students raised a variety of questions to the speaker who answered them with unwavering enthusiasm. Programme was concluded with the vote of thanks delivered by the Dr. M. A. Haque, Assistant Professor, Department of Chemistry, Bajaj College of Science, Wardha.

Date: 19th and 26th August 2023

Place: Wardha

Dr. M.A. Haque
Coordinator

Dr. Mrs. N.P. Mohabansi
Co-convenor &
Head/In-charge, Dept. of Chemistry
