A Report of 'Blind Coding Competition'

Venue: ICT Lab, BCS, Wardha.

Date: 28th February 2024.

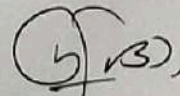

Time: 11.00 am onwards.

On the occasion of celebration of '**National Science Day**', Departments of Electronics and Computer Science and Research Innovation Curricular Hour (RICH) Club jointly organized "**Blind Coding Competition**" on 28th February, 2024 at 11.00 am onwards at ICT Lab, Bajaj College of Science, Wardha.

There were 65 students from B.Sc Computer, Electronics, Physics department as well as 11th and 12th std of Computer Science students have registered their names to this competition. This competition aims to test the coding knowledge among the students from various backgrounds to showcase their programming skills without relying on visual cues. In the first round, all students tested their coding skills on computers. Out of that, there were ties between five students. In the second round, after intense competition and impressive display of coding skills, the winners were announced based on their performance across all rounds. The top performers demonstrated exceptional problem-solving abilities, and adaptability to assistive technologies. Dr. S. T. Raut from department of Computer Science was judge for this competition. Winner got the prizes from the principal of the college Prof. P. V. Tekade Sir. RICH club participants along with department of Electronics and Computer Science took efforts for success of this program.
