**A Report of
Seminar on
“MY Story: Motivational Session by Successful Entrepreneur”**

MY Story: Motivational Session by Successful Entrepreneur was jointly organized by Institution Innovation Council (IIC) and Department of Physics of the Bajaj College of Science, Wardha on 16th October, 2023. The dynamic entrepreneur Mr. Abhishek S. Acharya, Director, Dizviz Production, Nagpur delivered the lecture for undergraduate and postgraduate students.

Principal of the college, Dr. P. V. Tekade, Chairman of the program presided over the function. Dr. P. G. Borkar, President IIC, Dr. S. R. Tiple, convener of the program, Dr. S. P. Biswas, program coordinator was present for the program.

Mr. Abhishek S. Acharya has demonstrated his life as an example for the students from rural background. He narrated the major ups and downs during his journey towards a successful entrepreneur. He had emphasis on the fact that major drawback is confidence and not economical issues. He also put forth that industry never come to shape within few months but it requires lot of time and passions.

The Principal of Bajaj College of Science, Wardha, Dr. P. V. Tekade put forth the idea of start thinking about our future endeavours during graduation itself, so that it will give more time to an entrepreneur to build his/her business.

Total 72 undergraduate and postgraduate students participated in the event. Dr. S. R. Tiple conducted the proceedings, while the concluding remarks were made by Dr. S. P. Biswas. The Question-Answer session was conducted by Dr. M. M. Yerpude.
