Workshop Report on "Preparation for Competitive Exams" (NET, SET, GATE, IIT-JAM, BARC, TIFR)

Organized by: Bajaj College of Science, Wardha

Date: 13th - 14th March 2024

Venue: Gandhi Memorial Hall

The two-day workshop titled "Preparation for Competitive Exams" was successfully conducted at Bajaj College of Science, Wardha. The workshop aimed to guide students for competitive exams such as NET, SET, GATE, IIT-JAM, BARC, and TIFR, providing them with insights and strategies for effective preparation.

Day 1: Common Session and Subject-Wise Parallel Sessions

The program commenced at 11:00 am with a common talk delivered by all the expert resource persons. The session included informative presentations and discussions that lasted until 1:30 pm. During this session, experts shared their experiences, insights on the examination patterns, strategies for preparation, and motivational talks to inspire students.

After the lunch break, which was from 1:30 pm to 2:30 pm, the workshop continued with subject-wise parallel sessions. These sessions allowed students to engage in detailed discussions with experts in their respective subjects. The following resource persons conducted the sessions for their respective disciplines:

Chemical Science: Mr. Sohan Thakur

Life Science: Mr. Lalji Kannoujiya

Mathematical Science: Mr. Souvik Chaudhury

Day 2: Subject-Wise Parallel Sessions

On the second day, the workshop continued with subject-wise parallel sessions, which were dedicated solely to in-depth training and doubt-clearing for the students. The resource persons provided personalized guidance, addressed individual queries, and shared essential resources to help students excel in their preparations for competitive exams.

The workshop received an enthusiastic response from the participants, who expressed appreciation for the valuable guidance and insights provided by the experts. It was a

fruitful experience that helped students understand the requirements of competitive exams and motivated them to prepare effectively.

The organizing team would like to extend their gratitude to all the resource persons for their valuable contributions, as well as the participants for their active involvement in making this workshop a great success.

All together more than 130 students attended the workshop. The sessions were highly informative and educative to the aspiring students. The students raised a variety of questions to the speaker to which they answered with unwavering enthusiasm. Programme was concluded with the vote of thanks delivered by the Dr. V. J. Sharma.
