A Report on
Hands on Workshop on
"Advanced Molecular Biology Techniques"

For Post Graduate Students
20-21 October 2023

Hands-on Workshop on "Advanced Molecular Biology Techniques" was organized by Department of Microbiology and Institution's Innovation Council (IIC) of Bajaj College of Science in association with Himedia Laboratories Pvt. Ltd on 20th -21st October 2023. The Workshop was for post graduate students, in which 26 students were registered. The workshop was graced by the presence of Principal of the college, Dr. P. V. Tekade, Resource persons form Himedia, Dr. Sanjay Singh, and Dr. Sunil Kokane, Molecular Biology Product Specialist. The workshop was inaugurated by the auspicious hands of chairman of the programme, Principal, Bajaj College of Science, Wardha, Dr. P. V. Tekade. The comparing of the programme was carried out by Dr. Bhavana Mohite, Coordinator of workshop and Convener of IIC. The introductory remark and background of the programme was given by Dr. Mrs. S. S. Khandare, Head of the department and Convener of the programme. Principal Dr. P. V. Tekade delivered the keynote address. Dr. Sanjay Singh explained the Himedia establishment and development in India and across the world though his presentation. Dr. Kokane presented the mechanism and theoretical aspects of the techniques to discuss in the workshop, which is followed by hands on training. The workshop covered Cloning technique and Polymerase chain reaction within 2 days span. Students enjoyed the workshop with experimentation and queries answered by the resource persons. The workshop ended on 21st October by distributing the participation certificates and prizes for the winners of quiz

organized during the workshop for students based the techniques learned. Ms. Dolly G. Fulkari gave the feedback about the workshop. Vote of thanks was delivered by Shree M. G. Ingale, Coordinator of the workshop.
