IIC Activity Report

Name of the Activity: Workshop on “Entrepreneurship and Innovation as Career Opportunity”

The Bajaj college of Science, Wardha had successfully organized a Workshop on “Entrepreneurship and Innovation as Career Opportunity” with the aim to promote the importance of entrepreneurship and innovation as career opportunity and inculcate skillset required for a young graduate on 14 March 2024.

The workshop begins with welcome address by Prof P. V. Tekade, Principal, Bajaj College of Science, Wardha. In his welcome address, students were guided to become job creator rather than job seeker. Students were greatly energized by principals motivating words. In this workshop Mr. Lalji Kannoujiya, IFAS Academy, Pune was invited as an expert. Mr. Lalji Kannoujiya had stimulated the overall architecture of the entrepreneurship life cycle and how student can create innovative product by undertaking relevant methods. He has taken a Hands-on survey to check a graduate eligibility to become an entrepreneur. He had motivated students and given them mantra of how to become an entrepreneur and how to convert simple idea into an innovation. The overall workshop was a success, and students were highly motivated by the experience they got. The workshop was conducted by Dr. M. M. Yerpude and ended with vote of thanks by Dr. D.D. Naik.
