Report on
Students' Seminar Competition – National Science Day Celebration

Date: 28th February 2024

The Department of Chemistry, Bajaj College of Science, Wardha, organized a Students' Seminar Competition on the occasion of National Science Day on 28th February 2024 at 11:00 am. The event aimed to provide a platform for students to showcase their understanding of the significance of chemistry in our daily lives. The seminar focused on the theme "Why Chemistry Matters?" encouraging students to explore and present their insights into the fundamental role of chemistry in various aspects of life.

The students from Department of Chemistry enthusiastically participated in the competition, showcasing their research and presentation skills. About 20 students participated in the competition. The event was attended by faculty members, including Principal, Prof. P. V. Tekade and Dr. Mrs. N. P. Mohabansi, Head, Department of Chemistry, who showed their support for the students' efforts. Prof. P. V. Tekade, Principal of Bajaj College of Science, expressed his delight with the students' active participation, stating, "Events like these not only showcase the talent and creativity of our students but also inspire them to pursue careers in science and research."

The seminar was organized by a dedicated team led by Coordinator- Prof. M. D. Bansinge and Dr. M. A. Haque. Their meticulous planning and coordination ensured the smooth conduct of the event.

The seminar presentations were evaluated by a panel of judges comprising Dr. K. M. Dadure and Prof. N. A. Barwat. Their expertise and insights added value to the competition.

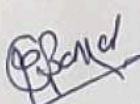

The seminar presentations were diverse and informative, covering topics such as the role of chemistry in environmental conservation, advancements in pharmaceuticals, and the impact of chemical reactions in everyday life. Students showcased their research findings and theoretical knowledge with enthusiasm and confidence.

In valedictory function, program coordinator Prof. M. D. Bansinge announced the winners of the seminar competition. The first prize was awarded to Mr. Hemang Butle, B.Sc. Sem VI. The second & third prize was secured by Ms. Samiksha Lende, B.Sc. Sem VI & Ms. Khushi Pohare, B.Sc. Sem I, respectively.

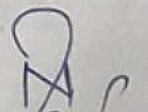

The student seminar competition organized by the Department of Chemistry, Bajaj College of Science, was a resounding success. It provided a platform for students to showcase their knowledge and passion for chemistry while highlighting the importance of the subject in our lives. Such events play a crucial role in promoting scientific thinking and research among students, ensuring a brighter future for the field of chemistry.
