1. Confirmation of minutes of last meeting:

Dr. U.A. Malode, BOS chairman read out the minutes of last BOS meeting held on 28/08/2024. Minutes were confirmed by all respected BOS members.

2. Approval to the syllabi of B.Sc. Semester V and VI major along with COs and POs:

B.Sc Semester V & VI syllabus along with COs & POs was explained to BOS members by Dr. U.A. Malode and asked for any suggestions. All the BOS members approved the syllabus along with COs & POs without any changes.

3. Approval to the syllabi of M.Sc., if any, along with COs and POs:

Dr. B.V. Mohite explained the syllabus of M.Sc Semester III DSE course ie. Microbial diversity, evolution & ecology. The syllabus of this course was already approved by all BOS members through online mode (email) after the last BOS meeting dated 28/08/2024. Changes were suggested by BOS members in practical course of DSE, hence the revised practical course was put forward for the approval. The updated syllabus was approved by all BOS members.

4. Approval to new Certificate course:

Ms.Snehal Banarase explained the course objectives, learning outcomes and theory & practical contents of syllabus of new certificate course on Green Energy-Biogas. Dr. Sarita Mowade suggested that the effluent of Biogas could be used for enrichment of soil and crops as biostimulant. Mr. Nikhil Samarth recommended to change the sequence of practicals & use of potent microbial culture for biogas production along with cow manure. The syllabus was approved by all BOS members.

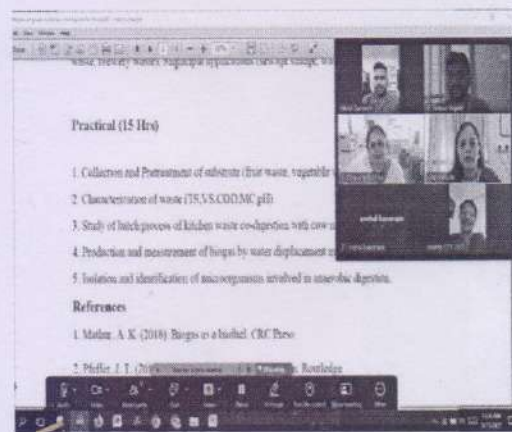

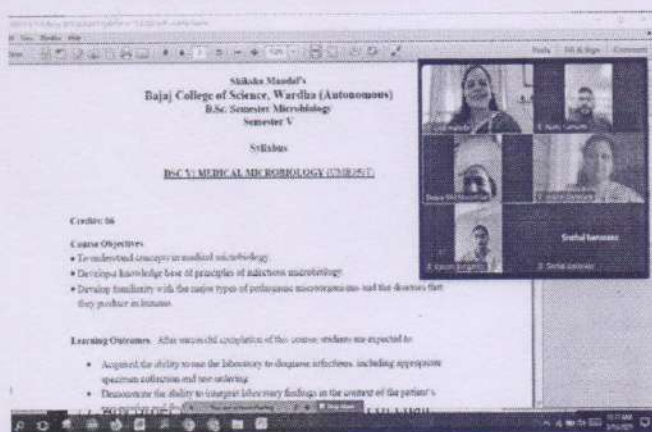

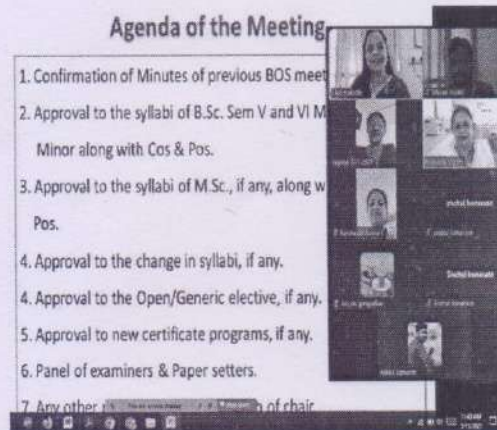

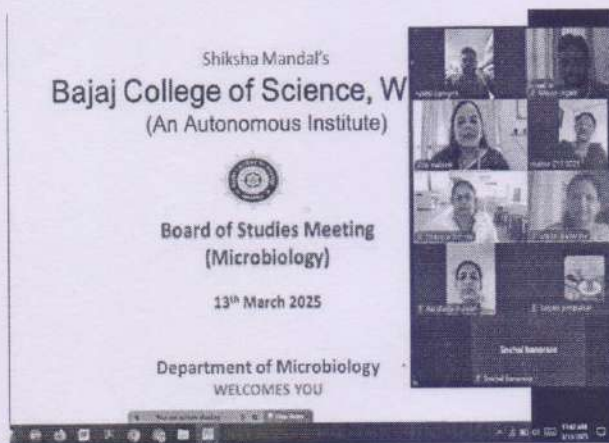

5. Approval to the panel of examiners and paper setters

The panel of examiners and paper setters for UG & PG was approved by all BOS members.

6. Any other point with permission of chair:

Dr. U.A. Malode discussed the provisions of Multiple Entry and Multiple Exit (MEME) in NEP. All the BOS members agreed with the same. Dr. U.A. Malode also informed the BOS members about the revenue generated by the microbiology Department in the year 2024-25 through antimicrobial testing. All the BOS members appreciated the efforts of the department. The meeting was ended with the vote of thanks given by Dr. U. A. Malode to all respected BOS members for attending the meeting and their significant contribution.
