Feedback on Curriculum
2022-23
Action Taken Report

Feedback on curriculum has been taken from students, teachers, and alumni. It is analyzed by the feedback committee and the feedback is discussed in the common meetings. The feedback is used for the development of college as well as for curriculum.

After taking feedback from students, teachers, and alumni certain points were discussed and solutions were provided for them.

Action Taken Report: Student

Feedback/ Particular	Action Taken
Student suggested that Preparation for Interviews –Aptitude Test, Group Discussions and Personal Interviews exposure is needed.	Training & placement cell organized training programme to develop communication skills and soft skills of students. Tests were conducted depending on the nature of the job and domain of the recruiting companies.
Student requested to take IIT-JAM/NET/SET/Gate classes in summer vacation	Career Counselling & Competitive examination cell has conducted classes for interested students during academic session and as per demand will arrange some interactive sessions in summer vacation also.
More revision and test series/unit test should be taken after completing the syllabus so that there will no fear or doubts about exams.	Although examination cell periodically conducted unit test for the students. So, on demand we have communicated all departments to conduct unit test recurringly for students.
To provide stage for improving the internal skills/ entrepreneurship of an individual.	Most of the departments have collaborated with good institutions and industries for various academic and research activities. Some of them have even signed MoUs with the college.
Requested to recruit more faculties in non-grant subject.	College has recruited new faculties in biotechnology department.
The books given by the librarian should be for more days so that students can read it thoroughly.	Although 15 days return period given to all students, we have communicated librarian to give grace period to needy students
Suggested to increase store of current affairs, competitive examination books in library.	The library is well equipped with all types of books. We have asked and communicated librarian to increase stock of current affairs, competitive examination books

Requested to Provide ICT enabled classroom for PG.	Although we have 23 ICT enabled classrooms, we have also provided DLP to all departments.

Action Taken Report: Teacher

Feedback/ Particular	Action Taken
Need to work to add more applied content as per the demand of the time.	The institution is satisfied with the teachers' response in this parameter and encourages them to keep updating themselves in their respective disciplines by participating in FDPs, Seminars, Workshops.
The syllabus must be revised timely to cope up with different competitive examinations.	Each Department has the Board of Studies (BoS). BOS meeting twice a year. Feedback Suggestions from all faculties Considered to strengthen curriculum. Inputs forwarded to the committee for taken for revision of syllabus.
So many topics are the same in microbiology, Biotechnology, Botany, and zoology curriculum. So, design syllabus in that way so repetition will not occur.	We have communicated all BOS chairman of life Sciences to take common meeting to discuss about content repetition and take proper action to avoid repletion of topics.
Focus on knowledge, skills enhancement, and student friendly type of educational system not on theory lectures	Most of the departments have collaborated with good institutions and industries for various academic and research activities. Some of them have even signed MoUs with the college.

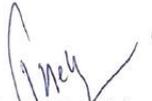

Action Taken Report: Alumni

Feedback/ Particular	Action Taken
Students should be encouraged to follow some useful websites and much early preparation for future career perspective wise.	We have adopted blended mode of teaching learning since 2017. All important website links (OER) is made available on Gnomio platform and asked all department to make it compulsorily.
Needs Internship for M.sc student, and Convocation ceremony for students	Many students from various departments have already completed internship Programmes from national institutes all over country. We have asked all department to take orientation programme on internship for needy students.

<p>Introduce, more well-equipped research labs for Ph.D. students</p>	<p>Centralized Instrumentation Centre has been established. Sophisticated instruments like XRD, FTIR, UV – vis spectrometer, PCR etc have been installed there.</p>
<p>Requested to start campaign about career guidance and other activities which can improve students' knowledge will be great for all aspiring minds.</p>	<p>Competitive Exam Cell has been constituted to take care of Advanced Learners preparing for competitive exams like CSIR-NET, IIT JAM. Many students got benefited and qualified the exams.</p>
