

**Shiksha Mandal's
Bajaj College of Science, Wardha**

**Rovers and Rangers (Scout & Guide)
Utsah and Urja Units**

The *Utsah* (Rover) and *Urja* (Ranger) Units of **Bajaj College of Science, Wardha**, working from the academic session 2023–24, function under the inspiring motto of the Bharat Scouts and Guides – “Be Prepared.” The Rovers and Rangers movement, initiated by Lord Baden Powell, aims to develop leadership qualities, discipline, patriotism, and a spirit of social service among young students.

Why join Rovers and Rangers?

Students can join this movement to become responsible citizens and well-rounded individuals. It provides opportunities for character building, adventure, teamwork, and community service. Members learn practical life skills, leadership, and self-reliance through participation in social, cultural, and environmental activities. Any interested student between the ages of 15 to 25 can join and experience the joy of serving others while developing confidence and lifelong values.

During the session, members of Utsah and Urja enthusiastically participated in various initiatives such as Tree Plantation, Anti-Addiction Awareness Program, Har Ghar Tiranga Campaign and Rally, Tree Conservation Initiative, Eco-friendly Paper Bag and Ganpati Making, Voter Awareness Campaign, and International Yoga Day celebrations, Constitution day, National Mathematics day, Science day, Scout Guide day. Through these activities, the students have demonstrated dedication, teamwork, and social responsibility, truly living the values and spirit of the Bharat Scouts and Guides.
